New, high-quality 2-bedroom apartment in excellent location

This elegant new development is located on one of Portugal's most sought-after stretches of coastline, in Lagos, and offers depending on the exact apartment beautiful views over the old town and the Atlantic Ocean. It is in a privileged location within 15 minutes walking distance of the historic centre of the city with its narrow streets, shops and variety of restaurants on one hand and of three of the city's beaches on the other. A large supermarket ("Intermarché"), cafés and medical services are also just over 10 min walk away. The location therefore offers the perfect basis for a stress-free and successful stay.

Please note that the pictures of the furnished flat represent the model flat for illustrative purposes and not the three units currently still available.

The specific two-bedroom flat available here impresses with its spacious rooms and well thought-out
