2-bedroom apartment near the beach in Salema: Living where others spend their holidays

This cosy 2 bedroom apartment is located in the middle of the fishing village of Salema in the western Algarve and is just a few steps away from the wide sandy beach of the village. Also from the terrace of the apartment you can already see the beach and the sea.

Salema offers the perfect mix of traditional Portuguese culture and modern amenities. The building is located in the traditional district with its small alleys and at the same time there are several restaurants and cafés as well as smaller shops nearby and only a short walk away. The historic city of Lagos can be reached in just 20 minutes, and Faro International Airport can be reached in about an hour and fifteen minutes. All this and the proximity to several first-class golf courses makes this apartment an ideal holiday property.
